

# Bathroom Design Build Wins HomeStars Best of Award

**COQUITLAM, February 16, 2016:** Bathroom Design Build is pleased to announce that it has been honoured with a **HomeStars Best of 2016 Award** celebrating its commitment to quality work and service. The awards event took place in Vancouver as well as four other major cities across Canada.

"To be recognized with a HomeStars Best of Award is a great accomplishment and we are proud of this honour," says Paul McGeehan, Bathroom Design Build. "We always strive to improve our service and hope to win this award again in the years to come."

Best of Award winners are the top performers on the [HomeStars](#), ranging from independent contractors to larger retailers. Winners are selected using several criteria including homeowner reviews as well as their responsiveness to homeowners.

"To win one of these awards is really a testament to a contractor's quality of work," says Nancy Peterson, Founder and CEO of HomeStars. "We like to think of them as our own People's Choice Awards since they are based on the reviews written by homeowners."

## About Bathroom Design Build

Bathroom-Design-Build is a family owned and run business dedicated to giving you that custom bathroom look for the best possible price. Through a strict work ethic and exceptionally high standards of practice, founder, Paul McGeehan, invariably provides uniquely creative, high-quality craftsmanship to each customer. Bathroom-Design-Build values genuine, honest, open working relationships and strives to provide such consistency to all customers and business partners.

At Bathroom Design Build we take great pride in our renovation process. Your bathroom may look stunning on the outside but what is underneath? The foundation materials of any bathroom are the most important aspects and will be the deciding factor as to whether your bathroom lasts two or fifteen years. Using high quality proven products that will stand the test of time, prevent water penetration and most importantly prevent mold growth should not be compromised or overlooked.
